Student Spotlight

Congratulations to Gabriella da Silva on her recent acceptance to the Christine E. Lynn College of Nursing at Florida Atlantic University. This program is a direct admit program with a 90-seat limit for incoming freshmen. Due to the high volume of first-year applicants to this program, Gabriella's acceptance is exceptionally noteworthy! She attributes the completion of the Pre-Medical Science program of distinction as a factor that influenced her admissibility into FAU's competitive nursing program. Join us in celebrating Gabriella's achievement!

Do you have an achievement to share? If so, we want to know. Stop by to tell your college advisor or send an email. We can't wait to celebrate with you!
